Please Take The Calendar Survey

Thank you to the many members who have already completed the annual survey for the Calendar Committee. Much like this year, there is a particular issue with the holiday break that the committee is seeking input on to find a solution. It would be helpful to have a calendar to reference when you are answering. Your responses are always carefully considered as we try to develop a district calendar that meets as many needs as possible. Thank you for your time during this busy part of the year.

If you haven't yet done so, please complete the survey [here](#).
