### Open Enrollment

The window for open enrollment closes tomorrow, Friday, May 5.

### CEA Delegate Assembly Report

CSEA had a very successful Delegate Assembly in passing two Bylaw amendments to the CEA Fund Bylaws. The combination of these two Bylaw changes means that the CEA Fund will have a more expansive view on the types of funding requests it can review, and the ability of the Fund to be more responsive to members needs during a campaign. In today's ever changing world of campaigns, these changes will mean that CEA will be more adapted to the current election climate. Thanks CSEA Board of Directors for proposing these important changes.

### Congratulations Palmer High School

Palmer High School was recently awarded a \$1,000 grant by California Casualty Insurance. The funds can be used to help purchase needed athletic equipment, offset participation fees, and improve athlete safety.
